LAMP AND SHIELD

There are ways but the Way is uncharted;
There are names but not nature in words;
Nameless indeed is the source of creation
But things have a mother and she has a name.

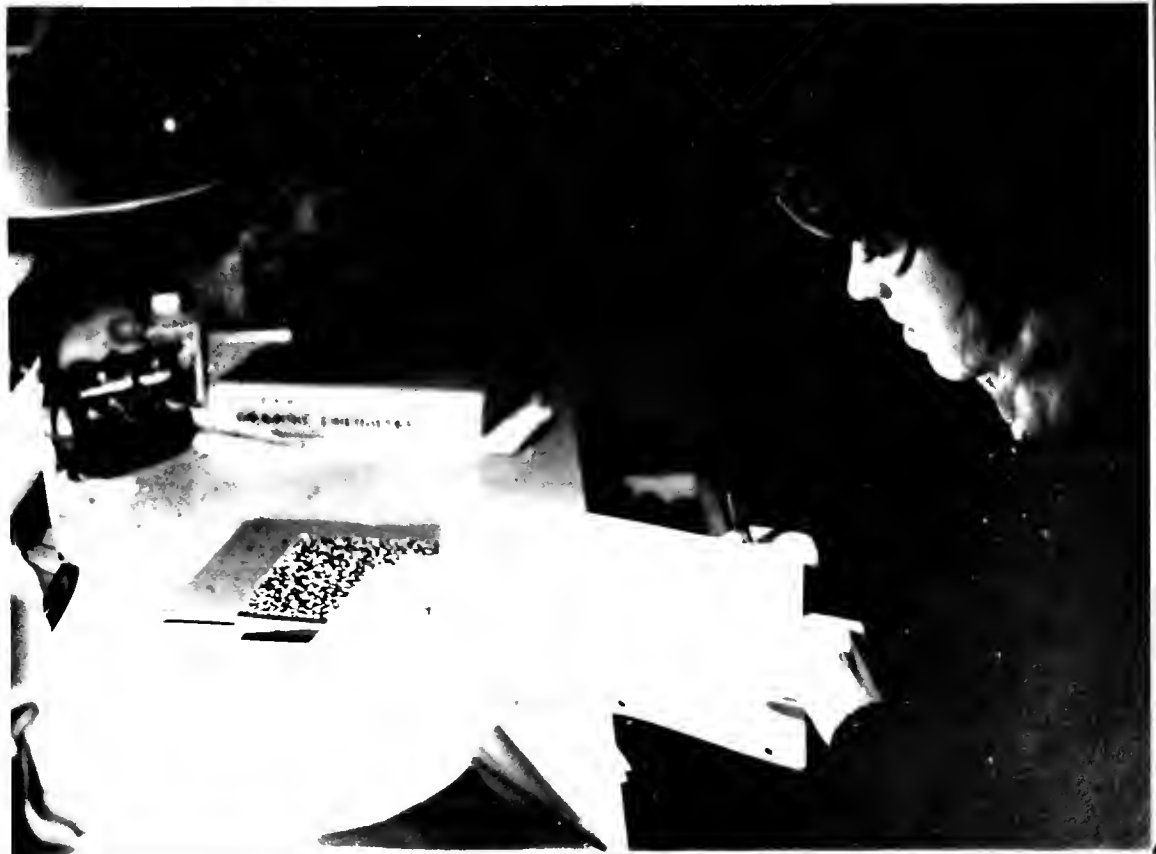

The secret waits for the insight
Of eyes unclouded by longing;
Those who are bound by desire
See only the outward container

These two come paired but distinct
By their names.

Burris Wins 100% Campaign

The Burris Center and Freedom Village were Number 1 in a lot of things, including the 100% for St. Andrews campaign, put on by Jack Ferren's marketing classes. It's kind of hard to believe all the times these folks put into support St. Andrews at sporting

events, plays, Writers Forums — you name it. And every Christmas they get together for a little sharing in their Christmas Get Together.

RD of Burris is Rodger Decker. Tony Orange is the president of Burris.

Mecklenburg Dorm played host to Safe Sex and Tacky Tourist parties this year. And in a show of dorm unity, the Mecklenburgers won the 100% for St. Andrews volleyball game pizza party.

Gary Swanson, the new baseball coach, was RD of Mecklenburg in the fall. Neal

Bushoven returned from his trip to the Dark Continent in the spring to be the resident director once again.

Jeff Callahan was elected president of the dorm, and Roger Cole was the vice president. The 3rd floor was opened for residents.

Organites have always been known for sunbathers and lazy days and even occasionally to play a game of volleyball in the courtyard. Seeking A National Championship

1988 may well be remembered as the year the National Championship came to St. Andrews. The Equestrian team played host to the IHSA National Championship in May. Though, we don't know at this writing if they won or not, we do know that last year they finished 3rd in the nation in the event. Top riders for St. Andrews included: Katie Martin, Margaret Fuller, Beth White, Cyndi Adams and many more.

To give you an idea of how tough these riders are, consider the fact that they've been in the running for the national championship for four years now. The other colleges that consistently compete well in the nationals, include the University of Virginia and Sweet Briar College. That's not bad company for our people.

St. Andrews Women's Volleyball team finished the season with a 1-10 record. Their victory came against Greensboro College. Kristi Kluegel, the No. 1 seed, finished with a 3-2 record in the conference and 3-6 overall to lead the team.

Women's Tennis

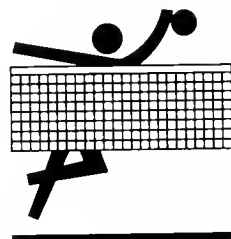

An All-American Year For Volleyball

In 1985, people said St. Andrews' volleyball team was one of the best the Dixie Conference ever produced. That team went 26-18; the 1987 season saw St. Andrews go 30-12, win the Dixie Conference with an 11-1 mark and produce the program's first All-American and two All-South players.

Senior Lori Stroud was named to the 1987 NCAA Division III All-America (2nd) team. Stroud and teammate Kristi Kluegel, a junior from Cape Coral, Fla., were named to the All-South team. As a pair, the two dominated the net for St. Andrews.

Joining Stroud and Kluegel on the All-Dixie Conference team for St. Andrews was senior Margaret Fuller.

Head coach JoAnn Williams was also named Coach of the Year for the Dixie Conference. At the end of the season, Williams lifetime volleyball record at St. Andrews was 239-181.

Soccer wins More in '87

For the first time in five years, St. Andrews won a soccer match against a Dixie Conference opponent — Averett College in Danville, Va. Tacked on to a 2-0 defeat of Hampden-Sydney College and a 6-0 blanking of Gardner Webb College and a 6-11 final record, it was the most successful season for the Knights in several years.

This year St. Andrews increased its scoring from 14 goals last season to 25 this year. Ten players scored goals, showing the improving depth of the Knights, according to coach Lorenzo Canalis.

Glenn Garrison, a senior from Anderson, S.C., led the team with five goals. Chris Walker had four goals and freshmen Phil Nolette, from Fort Washington, Md., had three goals and two assists.

Simons Says: "We're Better"

At press time, St. Andrews' men's basketball team was in the midst of the conference race, with a 6-2 record.

Before the season, head coach Mark

Simons said to the press, "we'll be better." That prophesy came true in a big way, as the Knights recovered from being doormats the year before and defeating everybody in the conference at least once.

Balanced scoring was the name of the game for the Knights. Four players were scoring in double figures on the average:

David Simons, 12 per game, Teddy

Holloway, 11.5 per game, Wendell

Staton, 10.5 per game and Eric Shelton,

10.5 per game.

Like Simons says: we're better.

Lady Knights Scrappy In 1987-88

Paced by junior KeWanda Walters and sophomore forward Malinda Edmonds, 1987-88 was proving to be an exciting season for the Lady Knights at press time. The Lady Knights had already beaten conference opponents Methodist College, Averett College and won their own tournament. Malinda Edmonds, "Mo" as her teammates call her, was averaging 15.1 points per game and 9.6 rebounds. Kewanda Walters was the team's leading free throw shooter, with an 81 percent average. Deborah Ayers was the team's leading assist person, with 6.7 per contest.

The Best S.A. Baseball Team — Ever

The 1988 version of the St. Andrews baseball team broke virtually every school record under first-year coach Gary Swanson. The Knights went 24-16. Team leaders included Jim Isenhardt, pitcher Sean Hassell, catcher Randy Marsh and power hitter Kent Smith. Short stop Jon Reneslakis of Kitzmiller, Md. was selected Academic All-American.

The 1987 Cross Country team finished in third place in the Dixie Conference behind Methodist and Christopher Newport. Key performances came from runners such as Lisa Chassey and Cajetan Chuckwulozie.

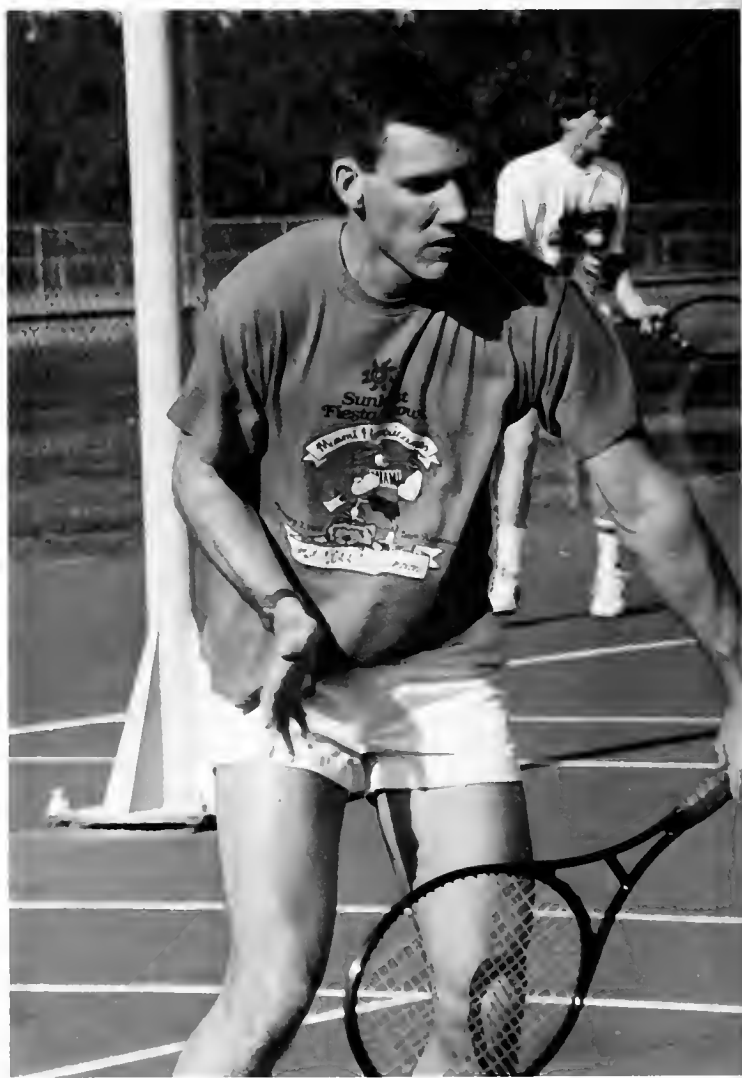

Cross Country

Track

George Onyenyonwu had a hand in breaking four school records in 1988. The freshman from Nigeria captured the St. Andrews record in the 100 meters (10.84 seconds); the 200 meters (21.94 seconds); the 4x100 (along with John Thomas, Cajetan Chuckwulozie, Joe Nocon): 43.54 and the 4x400 (along with Thomas, Chuckwulozie and Nocon): 3:23.74. The Knights finished in third place in the Dixie Conference behind Christopher Newport and Methodist.

Men's Tennis

Greg Dorsey ended his season at St. Andrews ranked 23rd in the nation and owning a record of 21-1. Dorsey, a junior from Lake Oswego, Ore., lost to Lance Au of Claremont-Mudd-Scripps of California 6-1, 7-6 at the NCAA Div. III championships to end his quest for a national title.

In addition to being ranked 23rd in the nation, Dorsey was also the singles champion in the Dixie Conference going unbeaten. David Saltman and Dorsey were also phenomenal doubles partners at No. 1. Saltman won the Dixie Conference crown at the No. 3 seed.

Softball

The S.A. Softball team finished the 1988 season with a 7-7 record in the Dixie Conference and a 15-14 overall record. Key players included pitcher Kim Costello (2.84 ERA), Tonya Olson (.378 batting average) and Kristen Mosher (18 stolen bases).
